Next review due by: November 2028

At the Federation, we are committed to ensuring equality of education and opportunity for all pupils, staff, parents and carers receiving services from the school, irrespective of race, gender, disability, faith or religion or socio-economic background. We aim to develop a culture of inclusion and diversity in which all those connected to the school feel proud of their identity and able to participate fully in school life. The achievement of pupils will be monitored by race, gender and disability and we will use this data to support pupils, raise standards and ensure inclusive teaching. We will tackle discrimination by the positive promotion of equality, challenging bullying and stereotypes and creating an environment which champions respect for all. At the Federation, we believe that diversity is a strength, which should be respected and celebrated by all those who learn, teach and visit here.

Mainstreaming Equality into Policy and Practice

The Federation operates equality of opportunity in its day to day practice in the following ways:

Teaching and learning: We aim to provide all our pupils with the opportunity to succeed, and to reach the highest level of personal achievement. To do this we will:

- Use contextual data to improve the ways in which we provide support to individuals and groups of pupils;
- Monitor achievement data by ethnicity, gender and disability and action any gaps;
- Take account of the achievement of all pupils when planning for future learning and setting challenging targets;
- Ensure equality of access for all pupils and prepare them for life in a diverse society;

Use materials that reflect the diversity of the school, population and local community in terms of race, gender and disability, without stereotyping;

- Promote attitudes and values that will challenge racist and other discriminatory behaviour or prejudice;
- Provide opportunities for pupils to appreciate their own culture and celebrate the diversity of other cultures;
- Seek to involve all parents in supporting their child's education;
- Encouraging classroom and staffroom discussion of equality issues which reflect on social stereotypes, expectations and the impact on learning;
- Including teaching and classroom-based approaches appropriate for the whole school population, which are inclusive and reflective of our pupils.

Admissions and exclusions: Our admissions arrangements are fair and transparent, and do not discriminate on race, gender, disability or socio-economic

factors. Admissions to the Federation are co-ordinated by the Local Authority admissions team. Exclusions will always be based on the Federation's Behaviour Policy. We will closely monitor exclusions to avoid any potential adverse impact and ensure any discrepancies are identified and dealt with

Equal Opportunities for Staff

The Federation is committed to the implementation of equal opportunities principles and the monitoring and active promotion of equality in all aspects of staffing and employment. All staff appointments and promotions are made on the basis of merit and ability and in compliance with the law. However, we are concerned to ensure wherever possible that the staffing of the school reflects the diversity of our community.

Employer duties: As an employer we need to ensure that we eliminate discrimination and harassment in our employment practice and actively promote equality across all groups within our workforce. Equality aspects such as gender, race, disability, sexual orientation, gender re-assignment and faith or religion are considered when appointing staff and particularly when allocating Teaching and Learning Responsibilities (TLR) or re-evaluating staff structures, to ensure decisions are free of discrimination.

Actions to ensure this commitment is met include:

- Monitoring recruitment and retention including bullying and harassment of staff;
- Continued professional development opportunities for all staff;
- Senior Leadership Team support to ensure equality of opportunity for all.

Equality and the Law

The Federation is aware of the equality objectives in Section 10 of the Equality Act 2010:

Race Equality: The Federation reflects the general and specific duties of schools as detailed in The Race Relations Act 1976 and as amended by The Race Relations (Amendment) Act 2000. The General Race Equality Duty requires us to have due regard to the need to:

- Eliminate racial discrimination;
- Promote equality of opportunity;
- Promote good relations between people of different racial groups.

Under our specific duty we will:

- Prepare an Equality Plan which includes our written policy for race equality;

- Assess the impact of our policies, including this Plan, on pupils, staff and parents by ethnicity including, in particular, the achievement levels of these pupils;
- Monitor the impact our plans and policies have on such pupils, staff and parents towards raising the achievement of minority ethnic groups.

Disability: The Disability Discrimination Act 2005 (DDA) defines a disabled person as someone who has ‘a physical or mental impairment which has a substantial or long-term adverse effect on his or her ability to carry out normal day-to-day activities’. The definition includes:

- People with HIV, multiple sclerosis and cancer (although not all cancers) are deemed disabled before they experience the long-term and substantial adverse effect on their activities;
- Section 18 has been amended so that individuals with a mental illness no longer have to demonstrate that it is “clinically well-recognised”, although the person must still demonstrate a long-term and substantial adverse impact on his/her ability to carry out normal day-to-day activities.

The Disability Discrimination Act (DDA) 2005 places a general duty on schools, requiring them to have due regard for the following when carrying out and delivering services:

- Promoting equality of opportunity between disabled people and other people;
- Eliminating discrimination and harassment of disabled people that is related to their disability;
- Promoting positive attitudes towards disabled people;
- Encouraging participation in public life by disabled people;
- Taking steps to meet disabled people’s needs, even if this requires more favourable treatment.

Under our specific duty we will:

- Prepare and publish an Equality Plan which covers the requirements for a Disability Equality Scheme identifying our disability equality goals and actions to meet them;
- Review and revise this Scheme every three years.

Gender Equality: The Gender Equality Duty 2006 places a general and specific duty on schools to eliminate unlawful discrimination and harassment on the grounds of gender and to promote equality of opportunity between female and male pupils and between women and men and transgender people.

Under our general duty we will actively seek to:

- Eliminate unlawful discrimination and harassment on grounds of sex and gender reassignment;
- Promote equality between men and women.
- Under our specific duty we will:
- Prepare and publish an Equality Plan which covers the requirements for a Gender Equality Scheme identifying our gender equality goals and actions to meet them;
- Review and revise this Scheme every three years.

Sexual Orientation: The Equality Act 2006 made provision for regulations to be introduced to extend protection against discrimination on grounds of religion or belief to sexual orientation. The Equality Act (Sexual Orientation) Regulations 2007 in which it states discrimination is unlawful in the area of goods, facilities and services on grounds of sexual orientation. For schools this means admissions, benefits and services for pupils and treatment of pupils.

Community Cohesion: The Education and Inspections Act 2006 inserted a new section 21(5) to the Education Act 2002, introducing a duty on the governing bodies of state schools to promote community cohesion. Community cohesion encompasses promoting good relations between pupils from different races, faiths / beliefs and socio-economic backgrounds.

Consultation and Involvement

It is a requirement that the development of this plan and the actions within it have been informed by the input of staff, pupils and parents/carers. We have achieved this by using the following to shape the plan:

- Feedback from parent/carer questionnaires and parents/teachers/carers conversations;
- Input from staff surveys or through staff meetings / PD days;
- Feedback from the school council, PSHE lessons, whole school surveys on children's attitudes to self and school;
- Issues raised in annual reviews or reviews of progress on Personalised Provision Maps, education health care plans, mentoring and support;
- Feedback at Governing Body meetings.

- Teachers support the work of all support staff and encourage them to intervene in a positive way against any discriminatory incidents.

Tackling Discrimination

Harassment on account of race, gender, disability or sexual orientation is unacceptable and is not tolerated within the school environment. All staff are expected to deal with any discriminatory incidents that may occur. They are expected to know how to identify and challenge prejudice and stereotyping; and to support the full range of diverse needs according to a pupil's individual circumstances. Racist and homophobic incidents and other incidents of harassment or bullying are dealt with by the member of staff present, escalating to a class teacher / leadership team where necessary. All incidents are reported to the Executive Headteacher and racist incidents are reported to the Governing Body and Local Authority on a termly basis.

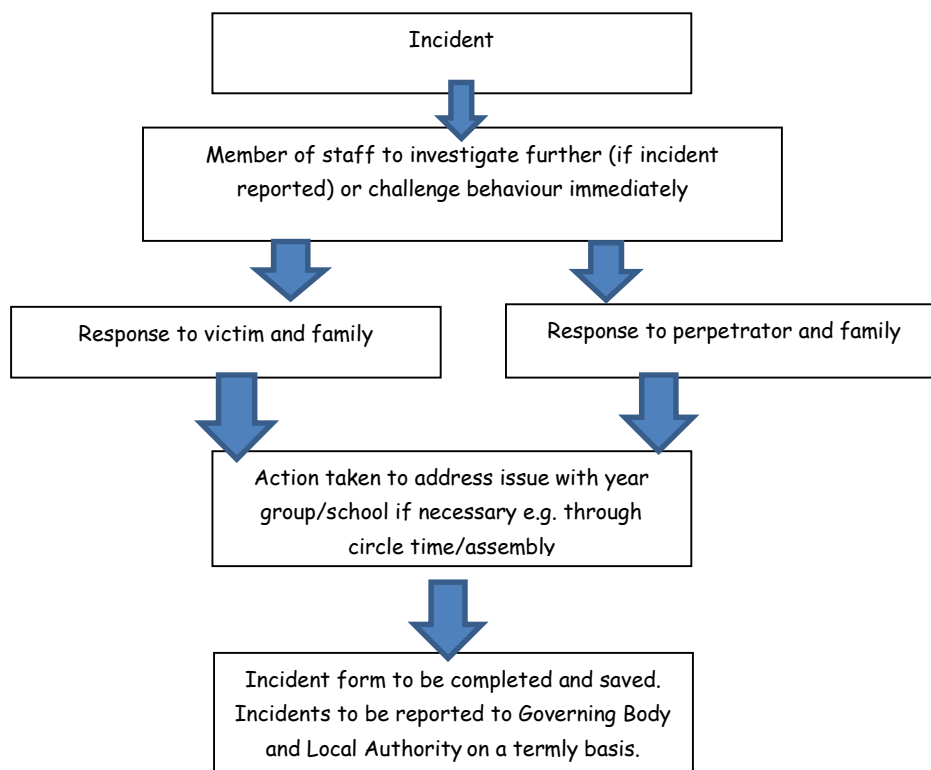

What is a discriminatory incident? Harassment on grounds of race, gender, disability, sexual orientation or other factors such as socio-economic status, can take many forms including verbal or physical abuse, name calling, exclusion from groups and games, unwanted looks or comments, jokes and graffiti. A racist incident is defined by the Stephen Lawrence Inquiry Report (1999) as: 'any incident which is perceived to be racist by the victim or any other person'.

Types of Discriminatory Incident: Types of discriminatory incidents that can occur are:

- Physical assault against a person or group because of their colour, ethnicity, nationality, disability, sexual orientation or gender;
- Use of derogatory names, insults and jokes;
- Racist, sexist, homophobic or discriminatory graffiti;

- Incitement of others to discriminate or bully due to victim's race, disability, gender or sexual orientation;
- Discriminatory comments in the course of discussion;
- Attempts to recruit others to discriminatory organisations and groups;

- Ridicule of an individual for difference e.g. food, music, religion, dress etc;
- Refusal to co-operate with other people on grounds of race, gender, disability or sexual orientation

Responding To and Reporting Incidents: It should be clear to pupils and staff how they report incidents. All staff should view dealing with incidents as vital to the well-being of the whole school. Our procedure for responding and reporting incidents is:

Review of Progress and Impact

- Publish the single equality plan on the school website;
- Raise awareness of the plan through the school newsletter, assemblies, staff meetings and other communications;
- Make sure hard copies are available.
