- Ensure that, where possible, appointments for their child are made outside of the school day

2.8 Pupils

Pupils are expected to:

- Attend school every day on time

3. Recording attendance

3.1 Attendance register

We will keep an attendance register and place all pupils onto this register.

We will take our attendance register at the start of the first session of each school day and once at the start of the afternoon session. It will mark whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made

The name and position of the person who made the amendment

See appendix 1 for the DfE attendance codes.

We will also record:

- Whether the absence is authorised or not
- The nature of the activity if a pupil is attending an approved educational activity
- The nature of circumstances where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 3 years after the date on which the entry was made.

Pupils must arrive in school by 8:50am on each school day.

The register for the first session will be taken at 8:55am and will be kept open until 9:25am. The register for the second session will be taken at 1:00pm and will be kept open until 1:20pm.

3.2 Unplanned absence

The pupil's parent/carer must notify the school of the reason for the absence on the first day of an unplanned absence by 9:00am or as soon as practically possible by contacting the school office on 0191 643 3330. (see also section 7).

If a pupil is absent and school has not been notified by 9:30am, the parent/carer will be contacted by the School Office staff to check on the well being of the pupil.

We will mark absence due to illness as authorised unless the school has a genuine concern about the authenticity of the illness.

If the authenticity of the illness is in doubt, the school may ask the pupil's parent/carer to provide medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents/carers will be notified of this in advance.

3.3 Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent/carer notifies the school in advance of the appointment. Please contact the School Office in advance of the appointment with your appointment information (letter, text etc).

Alternatively, please email the school office with the appointment details: office@whitleylodgefirst.org with a copy or screenshot of the appointment.

However, we encourage parents/carers to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent/carer must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 4 to find out which term-time absences the school can authorise.

3.4 Lateness and punctuality

A pupil who arrives late:

- Before the register has closed will be marked as late, using the appropriate code.
- After the register has closed will be marked as absent, using the appropriate code.

3.5 Following up unexplained absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

- Call the pupil's parent/carer on the morning of the first day of unexplained absence to ascertain the reason. A text message will be sent if there is no immediate reply. If the school cannot reach any of the pupil's emergency contacts, the school may make a house visit or contact services e.g. The Police.
- Identify whether the absence is approved or not
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session
- Call the parent/carer on each day that the absence continues without explanation to ensure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving an education welfare officer

3.6 Reporting to parents/carers

The school will regularly inform parents about their child's attendance and absence levels. For pupils falling below 95% this may be half termly or more regularly depending on agreed review periods.

4. Authorised and unauthorised absence

4.1 Approval for term-time absence

The Headteacher will only grant a leave of absence to a pupil during term time if they consider there to be 'exceptional circumstances'. A leave of absence is granted at the headteacher's discretion, including the length of time the pupil is authorised to be absent for.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant context behind the request.

Any request should be submitted as soon as it is anticipated and, where possible, at least 4 weeks before the absence, and in accordance with any leave of absence request form, accessible via the school website/school office (Appendix 2). The Headteacher may require evidence to support any request for leave of absence.

Valid reasons for **authorised absence** include:

- Illness and medical/dental appointments.
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parents belong. If necessary, the school will seek advice from the parents' religious body to confirm whether the day is set apart

4.2 Extended Leave

When a child is absent from school for an extended period (i.e 15 school days or more) parent/carer should advise the school of the temporary address.

4.3 Legal sanctions

The school or local authority can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age. At Whitley Lodge, if a family chooses to take term-time holiday that adds up to missing 5 or more school days, we will review their previous 12-month attendance record for term time holiday taken. If this is then below 95%, a fine may be issued.

As detailed in the new framework, this will be £80 per parent, per child if paid within 21 days. This then doubles to £160 per parent, per child if paid within 28 days. If the parent receives a second fine for the same child within any three-year period, it will be charged at the higher rate of £160.

If issued with a fine, or penalty notice, each parent must pay £80 within 21 days or £160 within 28 days. The payment must be made directly to the local authority and not to the school.

Penalty notices can be issued by a Headteacher, local authority officer or the police.

The decision on whether or not to issue a penalty notice may take into account:

- The number of unauthorised absences occurring within a rolling academic year
- One-off instances of irregular attendance, such as holidays taken in term time without permission
- Where an excluded pupil is found in a public place during school hours without a justifiable reason

If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

5. Strategies for promoting attendance

Each half term, children who have 100% attendance are awarded a special sticker on the last day of term. Our MIS system will then automatically generate a letter to parents notifying them that their child has received the award that day.

6. Attendance monitoring

6.1 Monitoring attendance

- Monitor attendance and absence data half-termly, termly and yearly across the school and at an individual pupil level
- Identify whether or not there are particular groups of children whose absences may be a cause for concern

Pupil-level absence data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics. The school will compare attendance data to the national average, and share this with the governing board.

6.2 Analysing attendance

The school will:

- Analyse attendance and absence data regularly to identify pupils or cohorts that need additional support with their attendance, and use this analysis to provide targeted support to these pupils and their families
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

6.3 Using data to improve attendance

The school will:

- Provide regular attendance reports to class teachers, and other school leaders, to facilitate discussions with pupils and families
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies

6.4 Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Hold regular meetings with the parents of pupils whom the school (and/or local authority) considers to be vulnerable, or are persistently or severely absent, to discuss attendance and engagement at school
- Provide access to wider support services to remove the barriers to attendance

7. Monitoring arrangements

This policy will be reviewed as guidance from the local authority or DfE is updated yearly. At every review, the policy will be approved by the full governing board.

8. Support

The school will:

- Build relationships with students and families to encourage regular school attendance.
- Analyse and use data and relationship knowledge to prevent regular absence.
- Using resources (School-based and external services) to intervene early with support.
- Use targeted support for persistent/severe absences.

9. Links with other policies

This policy links to the following policies:

- Child protection and safeguarding policy
- Behaviour policy

10. Legislation and guidance
